General No: 892.
No:

In continuation of this office No: 208 dated the 23rd September 1903, has the honor to state that Doddabasappa a notorious escaped convict of the Portuguese Settlements who had been sentenced to transportation to East Africa and who had escaped during the --- voyage and found his way to Bellary, and had for a long time been evading arrest was arrested at Marikanve on the 17th September 1903. Enquiries on the spot have now shown that it was not the Inspector but a constable named Syed Buden No: 265 of the Hiriyur Taluk who arrested the convict. It is therefore very desirable that the servic of those who exerted themselves in the arrest of the convict should be adequately rewarded.

On receipt of the Inspector General 's No: 5965/341 dated the 18th April 1903, Jamedar Latcharama Singh of the Chitaldur Taluk was specially deputed to find out the whereabouts of the convi referred to and to arrest him. Jamedar Latcharama Singh in the cours of his itineration, visited the relatives of the convict and after diligent enquiries collected much useful information about the descriptive roll and the characteristic features of the convict and circulated the same among all Taluk and station House Officers and this may be said to have laid the foundation for the arrest of the

above said convict. Constable Syed Buden who had accompanied the Jamedar for some time, and who had noted in his book the distinguishing marks of the convict, happened to see the man and his father at Marikanve going from the weekly sante in the disguise of Kurubars. As the 2 strangers seemed to answer the description and other particulars noted by Him, the constable's suspicions were roused, and he began to make enquiries of them. The convict though he at first tried to evade the enquiries, was taken by surprise-- when the constable accosted him by his name, and gave out the other particulars and ultimately admitted that he was the convict referred to, and he and his father were thereupon arrested.

As instances of such persevering intelligent conduct and detective skill are very rare among constables, it is necessary to encourage both Jamedar Latcharama Singh and the constable as a sort of incentive to others.

The undersigned would therefore suggest that a recommendation may be kindly made to Government to move the Government of the Portuguese Settlements for decent rewards being given to the Jamedar and constable for the valuable services rendered by them in the matter of the arrest of this notorious convict. If however this cannot conveniently be done it is requested that a reward of Rs: 30/- to Jamedar Latcharama Singh and Rs: 15/- to constable Syed Buden may be kindly sanctioned for their good services in this important case of arrest.
